

Study on Grief

We are looking for **MEN**

who have lost a loved one by **medical aid in dying** or by **natural death with palliative care** ?

Help us better understand, support and care for those who, just like you, are facing bereavement.

Your participation would be invaluable!

What participation involves:

- Completing short questionnaires, online or on paper (all participants)
- Meeting us for an interview (some participants among those interested will be called for the interview; \$20 compensation will be provided)
